

COTTON ROW AND GAYOSO - PEABODY HISTORIC PRESERVATION DISTRICTS

To ensure preservation of the Cotton Row and Gayoso - Peabody Historic Preservation Districts, all exterior new construction, building alterations, demolition, relocation, and site improvements visible from the street must be reviewed and approved by the Memphis Landmarks Commission (MLC).

The MLC issues Certificates of Appropriateness (COA) for work that meets the design guidelines adopted for the district. The Commission meets once a month to review and approve projects. Call 576-7191 for COA application information. See reverse side for work that requires MLC approval in the historic preservation district.
