

ROAD CONSTRUCTION NOTICE

Road Name: Germantown Parkway

Between Macon Road and Fischer Steel Road

Sunday, March 20th thru Friday April 22nd.

Description:

Traffic signal construction for the Greenline Crossing at Germantown Parkway will begin on Sunday, March 20th at approximately 7:00 a.m. Lane shifts will be required for the planned median improvements. Temporary lane closures will be necessary to allow crews to implement the lane shifts. Delays are to be expected. All Northbound and Southbound travel lanes (3 in each direction) will be reopened by 5:00 p.m. on the same day and remain open during the duration of the construction work. The lane shifts will remain in place for approximately four weeks. To see a 3-D rendering of the proposed intersection, please click the following link:
