## ANNUAL RABIES VACCINATION DRIVE TO BE HELD SATURDAY

MEMPHIS, TN – The annual Rabies Drive sponsored by the Shelby County Health Department (SCHD) Vector Control Program will be held Saturday, April 23, and Saturday, April 30, from 1:00 p.m. to 5:00 p.m. Residents are encouraged to bring their dogs and cats to either location listed below to receive rabies vaccinations:

- Benjamin L. Hooks Central Library  
3030 Poplar Avenue  
Memphis, TN 38120
- Fire Station #66  
5469 Raleigh Millington  
Millington, TN 38053

Although the majority of rabies cases occur in wildlife, most humans will need the rabies vaccine after being exposed to infected domestic animals. It is affordable to vaccinate pets before they are exposed to animals carrying the rabies virus.

The rabies tag, required by law, varies depending on the city of residence.

### Memphis

- Sterile:
  - Tags = \$15.00
- Fertile:
  - Tags = \$25.00

### Germantown

- Sterile:
  - Tags = \$20.00
- Fertile:
  - Tags = \$25.00
