

Agricenter International

A non-profit dedicated to agricultural research, education, and conservation

Feast on the Farm is Agricenter's annual fundraiser for our education programs. Did you know we educate over 4,000 students on our property? Did you know that many students have never been on a farm and do not know where their food and fiber comes from? For schools who cannot afford transportation to the farm, we cover their bus fees which

Teachers, now is the time to reserve a spot in our education program for your students. K-12 classes can pick from seven curriculum-based options. [Click here for more details.](#)
