

## Agricenter International

*A non-profit dedicated to agricultural research, education, and conservation*

Dear reader there is so much going on this month at Agricenter!

For more information, check out the lobby page: "Bicycle Trail Bollards At Agricenter International"

Agricenter received \$100,000 Grant from Commissioner Heidi Shafer for the Agricenter Trail. The trail is a partially paved path south of Walnut Grove that connects the Pick-Your-Own Strawberry Patch on the west and the Agricenter Farmer's Market on the east. The trail showcases the agricultural character of the region and when completed, will delight the traveler with sights of production crops, research plots, and the solar farm.
