**County Road Crews Picked Up Almost 23 Tons of Trash in August**

Shelby County trash crews removed almost 23 tons of garbage tossed along roads last month in the unincorporated areas and those bordering Shelby Farms.

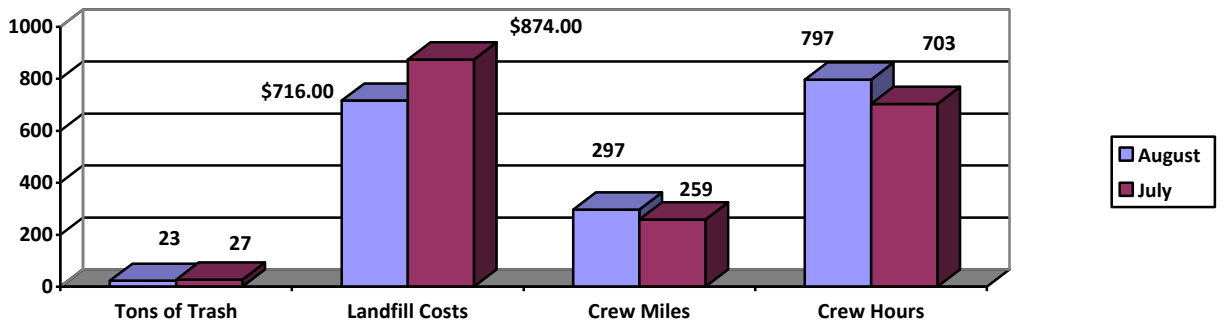

**“Every dollar used for litter could have been spent on other pressing citizen needs. Still, we’re committed to improving the appearance of Shelby County,”** said Shelby County Mayor Mark H. Luttrell, Jr.

Public Works employees, Shelby County Corrections Center inmates and court-supervised offenders overseen by the non-profit agency *Clean Memphis* work weekly near Millington, Woodstock, Northaven, South-East Shelby County, North-East Shelby County and Cordova. An additional D.U.I. offender crew works on Mondays and Saturdays.

The most roadside debris was noted along Walnut Grove and New Brownsville.
