**County Road Crews Picked Up Almost 16 Tons of Trash in November**

Shelby County trash crews removed 15.5 tons of garbage tossed along roads last month in the unincorporated areas and those bordering Shelby Farms.

**“Every dollar used for litter could have been spent on other pressing citizen needs. Still, we’re committed to improving the appearance of Shelby County,”** said Shelby County Mayor Mark H. Luttrell, Jr.

Public Works employees, Shelby County Corrections Center inmates and court-supervised offenders overseen by the non-profit agency *Clean Memphis* work weekly near Millington, Woodstock, Northaven, South-East Shelby County, North-East Shelby County and Cordova. An additional D.U.I. offender crew works on Mondays and Saturdays.

The most roadside debris was noted along Bolen Huse, Coleman, North Circle, Walnut Grove and Houston Levee.
