

# Memphis MPO

## METROPOLITAN PLANNING ORGANIZATION

Dear Alvan-Bidal,

The Memphis MPO is beginning the process of updating the current transportation plan, Livability 2040: Regional Transportation Plan (RTP), with a new horizon year of 2050. Public engagement is integral to the planning process, find out how you can participate and help shape this update!

### YouTube Video Series

The Memphis MPO recently engaged with elected officials, partner agencies, and local residents to create a YouTube Video Series on the concept of livability and what makes livable communities. Check out these videos by clicking the image to the right, or visiting the below links:

- [Elected Officials](#)
- [Regional Agencies](#)
- [Mid-South Residents](#)

### MetroQuest Public Survey

You can help shape the direction of this update by taking part in our 5-minute survey to ensure the plan is reflective of the needs and desires of the region. Please share the below links (in Spanish and English) with friends and neighbors!

- ['Livability 2050' Survey \(English\)](#)

- [Encuesta de 'Habitabilidad 2050' \(Español\)](#)

**Round One Public Meetings: Feb. 5-7, 2018**

Join the Memphis MPO for the first round of public meetings to be held from February 5-7, 2018. A total of seven meetings will be held across the MPO Planning Area, giving residents from all four counties the opportunity to participate. Find the nearest one to you by clicking the image to the right, or visiting the Memphis MPO's [Calendar](#).

As the plan develops check out our [Livability 2050: RTP Webpage](#) and follow us on [Facebook](#), [Twitter](#), [YouTube](#), and [LinkedIn](#) to learn about future opportunities for engagement. #Livability2050

Best,

**Alvan-Bidal Sanchez**
