Shelby County Government to Again Assist Mid-South Food Bank

The yearly food drive for the Mid-South Food Bank is underway by employees of Shelby County Government. This year, the public is invited to join in the effort for those who depend on the food bank.

“Shelby County Government has a caring workforce. I’m pleased our employees want to again help the Mid-South Food Bank. I’m also inviting citizens to join us in our efforts to help stop hunger in Shelby County,” said Shelby County Mayor Mark H. Luttrell, Jr.

Since 1996, Shelby County Government employees have conducted food drives for the Mid-South Food Bank. Last year, county employees collected food and donations worth \$10,000.

Many families need extra food during the summer months when children are out of school. Non-perishable foods such as pasta, peanut butter, and canned meats, tuna, fruits and vegetables are the more needed items.

The county’s employee food drive begins June 10th and continues through June 21st. Food can be dropped off Monday-Friday, 8:00 a.m. - 4:30 p.m., at these locations:
