

Shelby County Agriculture Committee Agenda

April 30, 2014

Welcome/Introductions

Program Updates

- Chick Chain - Baby chicks will arrive to office soon for 4-H members to pick up.
- 4-H Agent/County Director position has been announced.
- Support Staff position has been offered to Mrs. Lekelia Carter. She brings over 10 years of experience as an administrative assistant and manager. Her specialized studies include: Office Administrative Technology, Medical Office Technology, and Business Administration. We look forward to Mrs. Carter joining our staff on May 15th.
- Tennessee State University Agent has hosted monthly gardening programs for citizens.
- FCS Agent has provided Daycare Provider Training to local Child Care providers needing certification hours to maintain license.
- Working with county's IT person to upgrade internet access in office.

- The Family Plot: Gardening in the Mid-South television series is still going strong. The show can be seen weekly on Thursday evenings at 8 pm on WKNO (PBS). Local experts include Extension Agents and Specialist, Master Gardeners and Horticulturists serve as guests on the show. The garden topics are seasonal and specific to the time of year.
