

# MEMORANDUM

**TO:** Steve Shular  
Director of Communications

**FROM:** Chris Masin, P.E.  
Stormwater Program Coordinator

**DATE:** September 16, 2015

**SUBJECT:** Shelby County MS4 2014/2015 Annual Report

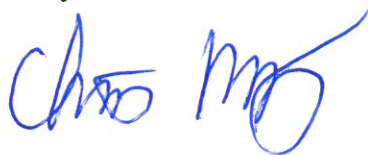

In accordance with applicable Federal and State laws, Shelby County has obtained storm water discharge permit coverage under the National Pollutant Discharge Elimination System (NPDES) for discharges from Small Municipal Separate Storm Sewer System (MS4) under tracking number TNS075663. This permit requires that the County submit a report annually each year covering the previous fiscal year. Prior to submitting the annual report, the MS4 must present the annual report to the public for suggestions and comment. The draft annual report is available by emailing me at [chris.masin@shelbycountyttn.gov](mailto:chris.masin@shelbycountyttn.gov). All responses may be sent to my attention for evaluation:

Chris Masin, P.E.  
Engineering Field Office  
6463 Haley Road  
Memphis, TN 38134  
(901) 222-7746

**Additionally, a public hearing will be held to receive comments on the draft report on Monday, September 28, 2015 at 6:00 PM at the Roads, Bridges and Engineering training room located at 6449 Haley Road.**

Please email out appropriate notice regarding the public meeting and that the draft report is available for review.

Thank you.

**CC:** Tom Needham, P.E., Director of Public Works  
Darren Sanders, P.E., R, B & E Administrator
