**Shelby County's Orgill Golf Course Voted One of the Top 25 Most-Improved Courses in 2016**

*Golf Advisor*, connected with *Golf Now* and the *Golf Channel*, has rated Orgill Golf Course, owned and managed by Shelby County Government, as one of the *Top 25 Most- Improved Golf Courses* in the country.

**"I commend course supervisor Eric Howard and his team at Orgill. Eric joined us this past September. During the past four months, greens and fairways have been enhanced along with a near-total renovation of the clubhouse. That's generated a lot of compliments from golfers who've been to Orgill,"** said Shelby County Mayor Mark H. Luttrell, Jr.

*Golf Advisor* cataloged online responses from golfers who rated golf courses around the nation. Golfers made repeated comments about the appearance of Orgill Golf Course. One such online response featured by *Golf Advisor*:

***"I've been playing Orgill for the last 16 years and it's in the best condition I've ever seen. The new greens keeper is doing an outstanding job. Currently, they are removing and trimming trees and cleaning up some overgrown areas. Orgill is a great course to walk and I get out 2-3 times a week."***

Orgill Golf Course opened in the Millington area at 9080 Bethuel Road in 1972. It's been a favorite among golfers in the north Shelby County area and those in neighboring counties.

**"We're out every week attending community events to promote our course, which is one of the most scenic courses in the county. I'm confident we'll attract new golfers and tournament sponsors this year,"** added Howard.
