**County Mayor's Fight Blight Team Weekly Progress Report**

The Shelby County Mayor's Fight Blight Team picked up more than ten (10) tons of roadside litter last week in neighborhoods throughout Memphis and Shelby County.

**"I'm pleased so much debris was removed from the roadsides. I commend the team members and their supervisors for their efforts to beautify our community,"** said Shelby County Mayor Mark H. Luttrell, Jr.

Mayor Luttrell wanted to provide job opportunities for young people this summer to help address the growing litter problem in our community.

The young people, ages 14 - 24, are paid \$9 per hour. Team supervisors, all over 21 years of age, are paid \$12 an hour. The ten teams work Monday through Friday in various Zip Code areas from 8 a.m. – 2 p.m.

The non-profit organization *Clean Memphis* assists the County in determining the cleanup routes. **"We've made lots of progress. The young people and their supervisors feel a real sense of pride about their work,"** said Janet Boscarino, Executive Director of Clean Memphis.
