**County Road Crews Picked Up 18 Tons of Trash Last Month**

Shelby County trash crews removed 18 tons of garbage tossed along roads last month in the unincorporated areas and those bordering Shelby Farms.

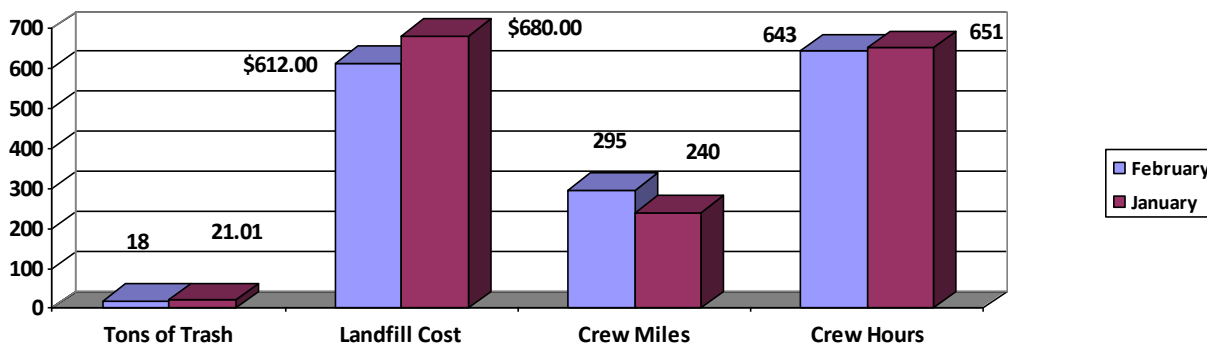

**“Every dollar used for litter could have been spent on other pressing citizen needs. Still, we’re committed to improving the appearance of Shelby County,”** said Shelby County Mayor Mark H. Luttrell, Jr.

Public Works employees, Shelby County Corrections Center inmates and court-supervised offenders overseen by the non-profit agency *Clean Memphis* work weekly near Millington, Woodstock, Northaven, Southeast Shelby County, North-East Shelby County and Cordova. A D.U.I. offender crew also works on Saturdays.

The most roadside debris was noted along Egypt Central at Coleman, Mullins Station at Whitten and Houston Levee.
