

Shelby County COVID-19 Mortgage & Utility Assistance Program

About the Program

Shelby County Division of Community Services and the Memphis & Shelby County Department of Planning and Development are accepting applications for the Community Development Block Grant (CDBG-CV2) COVID-19 Mortgage and Utility Assistance Program. This program is designed to provide financial assistance to people residing in any municipal jurisdiction within Shelby County with the exception of the City of Memphis. Jurisdictions include **Arlington, Bartlett, Collierville, Germantown, Lakeland, Millington, and Unincorporated Shelby County.**

This program is available to applicants in need of financial assistance due to COVID-19 impacts on or after March 13, 2020. Eligible households may receive up to six consecutive months of mortgage and/or utility payments, including forbearance, past due balances, and late fees. Assistance will be offered with principal, interest, taxes, and insurance on a rolling basis in order of applications received until all funds have been committed.

Assistance requests will be processed as quickly as possible. Due to the widespread impact of the pandemic on our local community, we anticipate a high volume of requests. Staff will contact you with the status of your request as the review process is conducted. Please be patient as this takes time.

Are You Eligible?

Only one application per individual/family household that meets the following guidelines:

- Your residence must be located in an area **outside** the City of Memphis. These areas include Arlington, Bartlett, Collierville, Germantown, Lakeland, Millington, and Unincorporated Shelby County.

Duplication of Benefits Certification

A duplication of benefits occurs when a person, household, business, government, or other entity receives financial assistance from multiple sources for the same purpose, and the total assistance received for that purpose is more than the total need for assistance. Duplication of benefits occurs when Federal financial assistance is provided to a person or entity through a program to address losses and the person or entity has received (or would receive, by acting responsibly to obtain available assistance) financial assistance for the same costs from any other source (including insurance), and the total amount received exceeds the total need for those costs.

The CARES Act requires HUD to ensure that there are adequate procedures in place to prevent any duplication of benefits as required by section 312 of the Stafford Act, as amended by section 1210 of the Disaster Recovery Reform Act of 2018 (division D of Public Law 115-254; 42 U.S.C. 5121 et seq.) and all applicable Federal Register notices, including FR-6218-N-01.

HUD requires each grantee to have procedures in place to prevent the duplication of benefits when it provides financial assistance with CDBG-CV funds. Grant funds may not be used to pay for a cost if another source of financial assistance is available to pay for the same cost.

This certification must be completed by any subrecipient, individual or family, business, direct beneficiary, or other entity that receives assistance and serves to document compliance with the CARES Act requirement to ensure that there are adequate procedures in place to prevent any duplication of benefits as required by section 312 of the Stafford Act, as amended by section 1210 of the Disaster Recovery Reform Act of 2018 (division D of Public Law 115-254; 42 U.S.C. 5121 et seq.) and all applicable Federal Register notices, including FR-6218-N-01.

I hereby certify that:

- A. The Community Development Block Grant-CV Funds, awarded through the Coronavirus Aid, Relief and Economic Security Act (CARES Act) does not duplicate any other funds, and/or any funds from the following sources:
 - 1. The Paycheck Protection Program
 - 2. Unemployment compensation benefits
 - 3. Insurance claims/proceeds
 - 4. Federal Emergency Management Agency (FEMA) funds
 - 5. Small Business Administration funds
 - 6. Other Federal, State, or local funding

AND

- B. Further, this executed certification serves to acknowledge that any subgrantee, subrecipient, individual or family, business, direct beneficiary, or other entity understands and agrees that the CDBG-CV funds must be repaid if it is determined that such assistance is determined to be duplicative.
