About FEI

Financial Executives International (FEI) is the leading advocate for the views of corporate financial management. Its 15,000 members hold policy-making positions as chief financial officers, treasurers and controllers at companies from every major industry. FEI enhances member professional development through peer networking, career management services, conferences, teleconferences and publications. Members participate in the activities of 86 chapters, 74 in the U.S., 11 in Canada and 1 in Japan. FEI is headquartered in Morristown, NJ, with additional offices in Washington, D.C. and Toronto. Visit www.financialexecutives.org for more information.

The FEI Memphis Chapter was chartered in May, 1949. With nearly 100 members representing a broad spectrum of companies that operate in numerous industries, our Chapter represents the professional association of choice for senior and mid-level corporate financial managers in the Memphis area.

We encourage members and nonmembers alike to join the Chapter at our monthly networking and educational programs between September and May. The Memphis Chapter welcomes both local and national speakers to present on a wide range of topics to keep all members of the financial profession informed and aware.

FEI's Memphis Chapter is pleased to be represented by fine companies and educational institutions like:
